

Physiotherapist - Hand & Upper Limb - Melbourne

Full time.

We seek a highly motivated and enthusiastic Physiotherapist to join our team in this newly created role. As one of the largest providers of Hand and Upper Limb rehabilitation in Melbourne we strive to provide an interesting and challenging working environment. We provide 2 hours clinical supervision per week as part of the position and work with some of Melbourne's most experienced Hand and Upper limb surgeons. There is a varied caseload specializing in all aspects of Upper Limb trauma, sports and acquired injury.

Pay structure between \$70,000 and \$95,000 AU plus bonus and relocation allowance (depending on contract terms and experience). Partnership opportunities are also available.

Current Physiotherapy registration essential but experience can vary and training will be closely supervised.

All interested persons are encouraged to apply by emailing: ben@resolvehandtherapy.com.au
